

Dear Sportsfreunde,

Last year, 400 members and friends stepped onto the court for a day filled with fast rallies, good laughs, and great connections at the GBA Badminton Tournament.

The tournament returns for its 6th season, bringing even more energy, competition, and community spirit!

Whether you are aiming for the championship, catching up with fellow members, or simply enjoying the energy around the court, the GBA Badminton Tournament is all about bringing people together through sport, connection, and community.

Grab your racket, find your game face, and get ready to smash, sweat, and connect beyond business!
